Subject E.R. Dallas, candidate for S.M.P. (Gaol Branch).

Made by D.S. Jones

Forwarded by *DBR, C.D.*

With reference to the attached application dated Oct. 6, 1936 from Eric Rudolph Dallas to join the Gaol Staff of the Shanghai Municipal Police, enquiries show that applicant, who is a British Eurasian, came to Shanghai from Madras, India in May 1933. On June 20, 1933 he addressed a letter to Captain R.M.J. Martin, applying for a position in either the Police Department or the Gaol Staff. Mr. R. C. Aiers, Deputy Commissioner, replied to this letter, informing applicant that there were no vacancies.

On May 11, 1933, the day before applicant arrived in Shanghai, a Mr. E. O. Christensen connected with Imperial Chemical Industries Ltd., Shanghai, wrote to the Commissioner of Police asking if there was any position Dallas could be offered in the Police Force. Mr. Christensen in his letter mentioned that his friend Dallas was the son of a former prominent Indian Government official (now retired), who was appointed Honorary Presidency Magistrate.

On the copy of the letter sent in reply to that of Mr. Christensen, the following endorsement was made by the Deputy Commissioner (Armed and Training Reserve):

"Called here. Not type for policeman.

Apparently Eurasian (Indian-British)."

Dallas has been employed in his present position as Service Superintendent with "Claude Neon Lights," No. 534 Rue Bourgeat, since July 1933. Mr. Vittaly, General Manager of the Company, speaks well of Dallas and is prepared to give him a good recommendation.

On January 1, 1935 applicant joined the S.M.P. (Specials) and was posted to the 3rd Division. He was transferred to the

With reference the attached application dated August 28, 1936 from Boris Nicholas Petroff for employment in the S.M.P. (Gaol Branch), I have to state that during the time - June 1, 1933 to April 1, 1936 - applicant was employed by Messrs. Davies, Brooke & Gran, his services were quite satisfactory. He joined this firm as an apprentice and later became an engineering assistant. On April 1, 1936 he was discharged owing to reduction of staff.

Petroff comes from a good Russian family and is well spoken of in local Russian circles. His father was formerly general manager of the Asiatic Trading Corporation at Hankow. He was with this firm for 24 years before his retirement from business.

The headmaster of the Public & Thomas Hanbury School for Boys, North Szechuen Road, where applicant was a pupil from September 1930 to December 1932, speaks very highly of Petroff's character and general ability.

This is the first time that Petroff has officially applied for a post in the Shanghai Municipal Police. In July last, however, he called at Police Headquarters and enquired whether there were any vacancies in the Public Works Department. This is what he means when he states on the attached application form that he previously offered himself as a candidate for the S.M.P.

Edgar Skreitul, Latvian citizen, was born on January 12, 1915 at Vladivostok. His late father was a mercantile marine officer and died in 1930 in China. He was employed as a Chief Officer on the steamers of the China Steam Navigation Company (Butterfield & Swire).

Applicant arrived in Shanghai from Vladivostok with his family in 1923. He was educated at the Public & Thomas Hanbury School for Boys, 191 North Szechuen Road, leaving the school in 1931. He obtained employment on November 16, 1931 to April 30, 1937 with the Shanghai Telephone Company as an Inspector of the Special Service Section (Burglar Alarm), and received his training in the school operated by the Telephone Company. Skreitul left this employment of his own accord with a good character and joined F. Kortus & Son (Orthopedist Institute For Artificial Limbs), 697 Szechuen Road. On May 1 he was connected with a branch opened in Hongkong, 17 Lyndhurst Terrace, and left this firm owing to bad business and lack of prospects. He returned to Shanghai and since his arrival has been unemployed.

Skreitul was a member of the Public School Cadets from 1929 to 1931 and afterwards served for two years with "B" Company, S.V.C., being later transferred to the Signal Company of the S.V.C. and held the rank of Corporal.

A.D. Schoutov, candidate for the Shanghai Municipal Police
(Gaoi Branch).

Enquiries regarding A.D. Schoutov (Shootoff or Shoutoff) revealed the following facts, which the applicant either omitted to state or stated incorrectly in his application: -

According to his registration with the Russian Emigrants' Committee, he was born on August 30, 1910 and not in 1912, as stated by him.

Although he states that for the period 1934-1936 he resided in Harbin, it was ascertained that from December 15, 1934 to July 22, 1936 he served with the Russian Volunteer Company attached to the French Police, from which he was dismissed for unsatisfactory service.

In June 1933 he stowed away on board the s.s. "Zelandia", bound for the American Pacific Coast. Upon arrival in San Francisco he was placed on the Angel Island, where he was kept until the s.s. "Zelandia" called at that port on her return trip, following which he was deported to Shanghai on board the same vessel, arriving in this port on September 13, 1933.

On July 1, 1937 he joined the Russian Regiment, S.V.C., but was dismissed on the 20th of the same month, for having concealed the fact of his dismissal from the Russian Volunteer Company attached to the French Police.

In the report dated 12-7-33, submitted by this section concerning Shootoff in connection with his application to join the Russian Regiment, S.V.C., it was mentioned that after his father's death, a few years previously he received a very substantial sum of money, but being inclined

to a dissipated mode of living he squandered all the money he had.

His family is well respected in the local Russian community and his private life will bear the strictest investigation. Nothing is known to his detriment and from enquiries made it is quite manifest that he leads a clean, healthy, normal life.

He is neat and smart in personal appearance, mentally alert, well disciplined and likely to make a very suitable recruit. From the qualifications he is known to possess, however, it would appear that his talents would be far better utilized in the Police Force than in the Gaol.

Made by D.S. Henchman

Peter Augustus BOJESSEN, Danish Eurasian, applicant for employment in S.M. Gaol, was born in Shanghai on 19th August, 1918. He was educated at the Public School for Boys where he remained until he was eighteen years of age. Due to his inability to qualify in the French language he was unsuccessful in obtaining the Senior Cambridge Certificate.

On leaving school he obtained employment in the China Fibre Container Company with which firm he remained until the outbreak of hostilities last year. From August, 1937 until February of this year he was engaged, under the auspices of the International Red Cross, in refugee work and when this employment ceased obtained a post, on a commission basis, with the United States Life Insurance Company, 17 The Bond: this position BOJESEN still holds.

For some time BOJESSEN has been acquainted with Alexander BUCHMAN, suspected Communist (File ^D5257), for whom he has on his own admission written articles and anecdotes of an anti-J_apanese nature. BOJESSEN has also had articles of a quite innocuous nature published in the "China Journal."

In Shanghai are BOJESSEN's two brothers and his father; another brother is in Denmark and a married sister in Canada. The father, C.O. BOJESSEN, is a paper mill consultant with an office at 314/3 Hardoon Road.

General enquiries show that BOJESSEN bears a good character and is well thought of amongst his acquaintances. He is a well set-up youth and appears to be above the

C. Gausford J.S.

Adalberto Procopio Francisco Colaco Roliz, Portuguese Eurasian, brother of Assistant Warder G.E. Roliz, candidate for employment in Shanghai Municipal Gaol, was born in Shanghai on July 8, 1917.

From the age of seven years until he was twelve Roliz attended St. Francis Xavier's College and when he left Shanghai with his family, continued his education at St. Joseph's Seminary in Macau.

Returning to Shanghai at the age of fifteen Roliz studied medicine for a few months at Aurora University but finding that he had no aptitude for the medical profession, left the university and obtained a post as junior clerk in the Hongkong and Shanghai Bank. He remained with the bank for three years when, deciding that his prospects were not particularly bright, he left and joined the Maria Steam Navigation Co., of which Portuguese shipping firm his father, J. Roliz, is manager.

From April of this year until the end of October Roliz served as a purser on the s.s. "Maria Francisca" but, due to depression of trade, was forced to leave the shipping company and seek employment elsewhere. A week ago he was successful in obtaining a temporary post with the Banque de L'Indo-chine where he hopes to remain pending the outcome of his application for employment in the Shanghai Municipal Gaol.

Roliz appears to be a youth of normal intelligence without any particular educational qualifications. Enquiries

Giralberto Eleutherio Roliz is a Portuguese citizen registered at the Portuguese Consulate-General and was born in Shanghai on April 18, 1912. He is at present residing with his parents at 455, Rue Lafayette, Apartment 305.

Between the years, 1919 and 1928, Roliz was educated at St. Francis Xavier's College by officials of which he is reported to have made normal progress in all his studies.

On leaving school in 1928, Roliz secured employment in the telegraph station of the Great Northern Telegraph Company, Ltd., where he performed his duties in a very satisfactory manner until June, 1930 when he resigned in order to assume a position in the accounts department of the Societe Franco-Chinoise de Constructions Metalliques et Mecaniques. This latter post, Roliz occupied until February 1938 when as a result of staff retrenchment due to the Sino-Japanese hostilities, his services were terminated. Since the aforementioned date, Roliz has been without regular employment though he has on occasion assisted his father, Joaquim Roliz - a highly respected member of the local Portuguese Community - in the operation of the latter's business, Agence Roliz, General Travel and Shipping Agents, 650 Szechuen Road; in this connection it may be mentioned that the applicant only returned to Shanghai on May 1 after a six weeks' visit to Canton, Hongkong and Macao on behalf of certain minor shipping interests.

Information obtained from various sources indicates that the applicant is a clean living individual with moderate educational qualifications. He appears, however, to have

a marked flair for languages and speaks English, Portuguese, French and Chinese with a good degree of fluency. Furthermore, his superior officers in this force all speak very highly of the applicant and lay particular emphasis on his ability both to give and to take orders, and on his skilful handling of small arms.

Discreet enquiries in both the International Settlement and in the French Concession have failed to bring to light any information of a nature detrimental to either G.E. Roliz or any members of his family.

Subject Harold Owen Thorpe - applicant for appointment in the

Shanghai Municipal Police (Gaol Branch)

Made by D.S. Hide

Forwarded by

C. Crawford D.D.

Harold Owen Thorpe, an applicant for appointment in the Gaol Branch of the Shanghai Municipal Police, is a registered British subject who was born in Shanghai on June 17, 1915. His father Ernest Francis Thorpe recently retired to England after twenty four years in the employ of the Yee Tsoong Tobacco Co., 175 Soochow Road. His mother, Marie Thorpe, a Japanese whose maiden name was Satsuke, at present keeps a boarding house at 137, 163 and 164, Yue Ching Fong (餘慶坊) off North Szechuen Road, O.O.L. where the applicant resides.

Thorpe was educated at the Public & Thomas Hanbury School which he attended from the age of seven to seventeen years, during which period he did not pass any notable examination. On leaving school in 1932 he was apprenticed to the Accounts Department of the Yee Tsoong Tobacco Co. where he showed considerable ability and promise. However during the next three or four years he became an associate of a group of undersirable youths who frequented Hai Alai and dog racing tracks. As a result of gambling and other expensive forms of amusement, the applicant became entangled with money lenders and towards the end of 1936 he telegraphed his father in Manchuria asking for money. His position was such that in November of that year, he resigned his position with the Yee Tsoong Tobacco Co., ostensibly for the purpose of establishing his own business but actually, no doubt, in order to gain possession of his Provident Fund to enable him to settle his debts.

For a short period during the early part of 1937, the applicant solicited insurance policies on behalf of an agent in the employ of the Occidental Life Insurance Co., 113 Kiukiang Road. He is said to have lost this position owing to the fact that he misappropriated a premium of \$15.00 received on behalf of the firm. This fact, however, cannot be definitely verified as the person directly concerned has since proceeded to South America.

Apart from a few private brokerage transactions in scrap iron, etc., Thorpe remained without definite employment until June, 1938, when he obtained an appointment with Madar & Co. of 259 Kiangse Road, who in view of his ability to speak fairly fluent Japanese, acquired his services to act in a liaison capacity between the firm and the Japanese authorities.

On April 4, 1938, J.H. Trachsler Ltd. of 133 Yuen Ming Yuen Road addressed a letter of complaint to the Shanghai Municipal Police to the effect that Thorpe had pawned a typewriter, valued \$150.00, which he acquired from them on the hire purchase system on an initial instalment of \$30.00, on December 1, 1936. Enquiries failed to trace the machine in question and on July 19, 1938, Trachsler Ltd. reported that Thorpe had paid up in full.

On December 22, 1937, the Shanghai Volunteer Corps requested the Shanghai Municipal Police to furnish information as to the whereabouts of Thorpe who had failed to return his firearms and kit on resigning after one year's service with

the Corps. The Police report submitted in reply to this request stated that Thorpe had no fixed abode but could be located at Room 7, No.348 Rue Bourgeat where he sometimes slept.

On November 9, 1938, a Miss E. Larcina, Portuguese, of 41/42 Carter Road, gave birth to a son of which the applicant is the father. Despite the fact that in the attached application form, the applicant has described himself as single, he was married to Miss Larcina about a week after the birth of the child, the ceremony being performed by a Catholic priest whilst the bride was still in hospital. No civil ceremony has yet followed and the marriage is not registered at the British Consulate.

In addition to speaking Japanese as already mentioned, the applicant has some slight knowledge of the Shanghai dialect. He does not indulge in sports of any kind. He is slovenly and unprepossessing in appearance and does not appear to be of a type suited to the appointment he is now seeking.

for employment in S.M. Gaol

Made by..... D.S. Henchman

Forwarded by.....

V.A.S.C. de SOUSA, Portugese Eurasian, applicant for employment in S.M. Gaol, was born in Shanghai on 14, October, 1917. From 1925 until 1935 he attended St. Francis Xavier's College where on leaving, he was successful in obtaining his Senior Cambridge Certificate. He bears an excellent scholastic record and since leaving school has attended the Lester Institute where he has studied mechanical engineering.

Shortly after leaving school de SOUSA obtained employment with the Netherlands Trading Society but left this post after a few months to join, in the capacity of clerk, Messrs. Inniss & Riddle (China) Ltd., with which firm he is still employed.

Both de SOUSA's parents are dead and he resides with his brother who is employed in the Arnhold Trading Co. Enquiries as to his general character show that he bears an excellent reputation, is spoken highly of by his superior officers in the Portugese Company, S.V.C., and, except for a certain timidity of manner, would appear to be quite a satisfactory candidate for employment in the S.M. Gaol.

No. S. B. D. 39

Subject V. Samokvalovas alias W. Thomson, candidate for the S.M. Police

(Gaol Branch).

Made by D.S.I. Prokofiev.

Forwarded by C. Crawford, S.D.

Enquiries show that Vladas SAMOKVALOVAS alias Walter THOMSON, believed to be a Lithuanian citizen of Russian origin (correct name Vladimir SAMOHVALOFF), arrived in Shanghai from the United States on or about July 26, 1938 as a member of the crew of the s.s. "Mundelta". This ship was bought in Philadelphia by Wheelock & Co., Ltd, for Shanghai Tug & Lighter Company and is now known under the name "Munlock". Shortly upon arrival here Samokvalovas, who had been discharged from the ship together with other members of the crew, called on Mr. J. Kirichok, Inspector of the River Police and Vice-President of the Lithuanian Association in Shanghai, and asked to help him in finding an employment in this city. Upon the recommendation of Mr. Kirichok he was engaged by Mee-Yeh Handels Compagnie, 137 Canton Road, as a supervisor in one of their factories with the salary of \$250 per mensem. He worked in this capacity from August 15 to December 1, 1938 when he was given one month's salary in lieu of notice and was discharged. It appears from a statement obtained confidentially from the management of the firm in question that his services were dispensed with for the following two reasons: 1) He was not satisfied with his salary, for which he had to work long hours, and frequently talked of his intention to leave the firm as soon as he found a better position. Hence the conclusion that he was not interested in his work. 2) The management was informed that he had been borrowing money from certain Chinese dealing with the firm.

Interviewed by the undersigned in connection with this matter Mr. Kirichok stated that from his association with the applicant during the past six months he had formed a favourable opinion regarding his character and abilities (knowledge of many foreign languages). Recently he recommended him as a candidate for

the River Police, but there were no vacancies. Mr. Kirichok also stated that ^{he} is prepared to give him a letter of recommendation, if necessary.

Mr. M. Coday, Syrian, local silk merchant, at whose house (51/21 Route de Grouchy) Samokvalovas is reported to have been residing since his arrival in Shanghai, was also confidentially approached for information. Nothing was learned from him, which could reflect adversely on the character of the applicant.

At present Samokvalovas seems to be in straitened circumstances, as during December last he asked the Lithuanian Association for monetary assistance and was given a small sum.

F2900/1844
In March, 1938 a letter dated 26-2-38, San Pedro, California, U.S.A., was received by the S.M. Police from a certain Vladimir Samohvaloff, which had all the appearances of a rather clumsy attempt to obtain from the S.M. Police by means of false pretences a certificate to the effect that he resided in Shanghai from 1920 to 13-8-37. The signature appearing in this letter and the attached papers written by Samokvalovas reveal a certain similarity of handwriting. In order to clear up this matter the applicant was interviewed on 14-1-39 at Headquarters.

According to his statement, he was born on 1-1-1913 in Mariampol district, Lithuania (formerly a part of the Russian Empire). From 1920 to 1925 he attended a school at Kaunas, after which he lived with his parents until 1929. From 1929 to 1930 he was employed in the Forestry Department in Lithuania, following which he started to work as a seaman. In October, 1934 he passed an examination at a Navigation School in Libau, Latvia, qualifying himself in a number of subjects relating to the work of a seaman. Working in this capacity on various ships he made his way to the

United States where, from 1935 till his departure for Shanghai in the summer of 1938, his address was 110 W. Seventh Street, San Pedro, California, with the exception of the periods when he worked on ships. The duties he was called upon to perform at various times include those of a quartermaster, fireman, sail maker, sailor etc. On the s.s. "Mundelta", in which he arrived in Shanghai, he worked as a cook, and for this reason did not care to obtain a certificate of discharge when signing off the ship.

He holds a document of identity, which appears to be a temporary certificate of nationality issued in the name of Vladas Samokvalovas on 5-8-37 by the Lithuanian Consul-General at New York (No. 03774/1564). In this document above the name " Vladas Samokvalovas " is written the name " Walter Thomson ". It is not clear, however, when and by whom this addition was made. The applicant explained that he had adopted the latter name because foreigners find his Lithuanian name too difficult to pronounce. Among other documents in his possession is a certificate purporting to have been issued on 22-3-38 by the Department of Police, City of Los Angeles, Cal., to the effect that there was nothing in the police records to indicate that he had ever been arrested or was wanted by the police. (Ref.No. 1.7.10).

Further, the applicant stated that one of the ships, on which he had been working, called at Shanghai on two occasions in 1936, for short periods. He never lived here before and had no relatives in the Far East. His father died in 1926 and the last known address of his mother was Memel, Lithuania.

Asked, if he wrote a letter to the S.M. Police from America in February, 1938, he replied in the negative. On being shown the address and signature of Vladimir Samokhvaloff in San

Pedro appearing in the letter, he seemed to feel embarrassed for a moment, but denied having anything to do with the letter and went on to explain that the address in question was that of a Scandinavian Seamen's Club in that city, that there might be another seaman there named Vladimir Samohvaloff, that signatures could be forged and that he would write to San Pedro in order to find out who the writer of the letter was. All this did not sound very convincing.

Enquiries at the local American Consulate-General show that there is no record of any person named Vladimir Samohvaloff or Vladas Samohvalovas alias Walter Thomson. Nothing detrimental is known regarding the applicant at Wheelock & Co., Ltd, 2/3 Quai de France.

K.O. SKULSTAD, applicant for employment in Shanghai Municipal Gaol, Norwegian subject, was born in Bergen, Norway, on January 18, 1914. He attended Primary School and subsequently a Commercial College in the town of his birth until he reached the age of fourteen. On leaving school in 1928, he obtained employment with the shipping firm of "Berle & Petersen" where he remained until May of 1931 when he resigned, at his own request, to go to sea.

Leaving his clerical position, Skulstad joined the firm of Messrs. Westfal-Larsen, and sailed, as an assistant engineer, for a period covering six years in vessels belonging to the above-mentioned company. Following his employment with the Westfal-Larsen Line, he joined the Moller Line and, arriving in Shanghai in February, 1938, he resigned his position to take up employment with the International Navigation Co., 113 Kiukiang Road. With the latter company he was employed until December of last year, but owing to depression of business was forced to relinquish his post.

Skulstad bears excellent recommendations, copies of which are attached hereto, from all firms that have employed him. His reputation in Shanghai is good and, though his knowledge of the English language is not perfect, he would appear to be a suitable candidate for Shanghai Municipal Gaol.

The applicant who speaks Shanghai dialect, mandarin and a little Japanese states that he is interested in all kinds of sport, particularly boxing, football and rugby.

Seven^x testimonials in favour of the applicant are attached herewith.

The following is on file in Police records regarding the applicant :- "Enquiries re supposed missing foreign youth - File No.E-1797. During the time the applicant was employed at the China Coast Officers Guild as a clerk (1936) he got into the habit of borrowing money from Chinese employees of the Guild. He disappeared for a few days in October, 1936, and on his return refused to go back and live with his grandfather at 1267 Tongshan Road. The trouble apparently arose over the applicant frequenting cabarets on North Szechuen Road and spending his money on Japanese dancing girls".

The sum of money involved some \$70 was returned by the applicant and the affair amicably settled.

Jason Denis STEFANIS, Greek, was born on September 27, 1919 at Shanghai and is the son of Mr. M. Stefanis of the Express Cigarette Company, 17 Miller Road, who died some time in 1929. From 1929 to 1935 he is reported to have attended the St. Francis Xavier's College, after which from 5-3-35 to 22-2-36 he followed a course of instruction at the Linotype and Machinery Limited in connection with the operation and maintenance of Linotype machines. For the following nine months he was attached to the Printing Department of the Mercury Press. Leaving the latter firm on his own accord in October, 1936, he rejoined the Linotype and Machinery Limited in April, 1937 as a general assistant to the Superintendent of their Mechanical and Service Department, in which capacity he worked until November, 1937. After three months employment with his uncle, Mr. T.D. Sofoulis, Advertising Manager, "Ai Alai", as a general help, he established, early in 1938, a small printing press of his own on Jessfield Road, C.O.D. (the Anglo-Hellenic Press) which he conducted for about one year.

His next employment was as an Apprentice Officer on board the s.s. "Erato" plying between the ports of Canada, U.S.A. and Japan, in which capacity he worked from April, 1939 to November 12, 1940 when he landed for discharge at Kobe. Returning in Shanghai on 6-12-40 in the s.s. "Kobe Maru" he has been staying with his mother and step-father at 70 Tifeng Road, until a few days ago when he went to live with his friend, Mr. Pandelis,

TO WHOM IT MAY CONCERN

At the request of the Shanghai Evening Post & Mercury we put Mr. J. M. Stefanis through a course of instruction in connection with the operation and maintenance of Linotype Machines. He worked in our office from March 5th 1935 till February 22nd 1936 and during that period not only proved himself an interested and industrious student but also showed considerable aptitude.

Mr. Stefanis learnt the general principles of keyboard operation as well as how to dismantle and erect a Linotype. He was also taught how to carry out repair and overhaul work and, in connection with this, his instruction included tuition in our workshop and also he went out to assist our engineers when on repair work at various Linotype installations in Shanghai.

On the completion of his course Mr. Stefanis took up duties at the Evening Post & Mercury. This letter is written after he had been so employed for a period of nine months, and we understand from the management that he gave every satisfaction. We might also add that Mr. Stefanis is characterised by an obliging disposition and willingness to please his employer. He is hard working and both prompt and regular in attendance.

Sir,

Reference to attached letter of application for enrollement in S.M. Police, I beg to report that I have known the applicant well for about nine years.

He was until about a year ago conducting a small printing establishment on Jessfield Road but in April 1939 he joined the s.s. ERATO as Third Navigation Officer and, so far as I am aware, continued to serve on this vessel until December, 1940 when he returned to Shanghai.

Mr. Stefanis is a good living, sober and honest youth and would appear to be a suitable candidate for enlistment.

I am,

IN THE S.M.C. GAOL.

Made by. D.S.I. Maklaevsky Forwarded by. D.I. Crawford.

Donnat NOVGORODOFF, Russian, single, of Greek-Orthodox Religion, was born on August 5th., 1921 in Vladivostock, Russia.

He arrived in Shanghai from Vladivostock together with his parents in 1922.

From 1931 to December 1940 he attended the Public & Thomas Hanbury School for Boys having attained Grade L.V. I. At present he is unemployed and resides with his mother at 613/7 Avenue Joffre.

His mother is cohabiting with a Russian who is employed in a Restaurant in French Concession and whom he mentioned in his application as being his father. This is not correct as his father, a barber by occupation, died in 1937 in Shanghai.

According to Mr. Crow, Headmaster of the Public & Thomas Hanbury School, the candidate is a very good boy, keen sportsman and should make a good Policeman.

The candidate is unable to produce proper birth certificate owing, it would appear, to the fact that it was lost when removing from Wayside District at the outbreak of Sino-Japanese hostilities in Shanghai in 1937. He applied to the Russian Emigrants' Committee for a document issued by the Committee in lieu of birth certificate in accordance with information contained in their Register.

Nikolai Nikolaevich NIKOLAEFF, Russian, born on December 18, 1916 at Riga, Russia. Son of a former officer of the Russian army, he is reported to have left Vladivostok for Manchuria in 1922 together with his parents and for the following five years resided at Harbin where he attended a Russian school in 1925-1927. During the period from 1927 to 1930 the Nikolaeff family resided for various periods in different towns in Manchuria and North China, including Tsinanfu, Mukden, Changchun and Tsingtao, after which they proceeded to Shanghai arriving in this city in May, 1930.

Here the applicant attended the Russian Orthodox Confraternity's School in 1930/1931 and the Public & Thos. Hanbury School from January, 1932 to October, 1933 when he left the latter school to take up employment with the Far Eastern Adjusters, 140 Canton Road, as a cashier and typist. He left this position in December, 1935 shortly before the closure of the enterprise in question. In 1938/39 he also worked casually as a purser on board various vessels chartered by the Holde Stromwall Co and trading on the China coast and the Chusan islands.
